

Membership Invitation

Dear Colleague:

The Canadian Capital Cities Organization is a uniquely positioned organization that works to create celebration, education, connection, and pride across Canada through the diverse story of each Capital City. Comprised of elected official and staff representatives such as yourself from capital cities across the country, in addition to national and provincial capital commissions and provincial legislatures, this national network serves residents through relationships and initiatives highlighting the symbolic and substantive role of the Capitals.

With municipalities across the country facing many challenges including reconciliation with Indigenous Peoples, affordable housing, climate change action, and diversity and inclusion, it is more important now than ever before that our Capitals come together to exchange experience and information, share learning and best practices, and build links, relationships, and collaboration across Canada to ensure our Capitals remain relevant and distinctive in our changing world.

Our network is only as strong as our members: we invite you to review the enclosed information.

Finally, please save the dates of June 8 to 10, 2026, to attend our Annual Conference in Edmonton hosted by the Legislative Assembly of Alberta. We are planning for a robust schedule of presentations and exchanges of capital interest, along with networking opportunities with colleagues and partner organizations.

We look forward to your participation and involvement in the Canadian Capital Cities Organization.

Kind regards,

Krista Loughton, President
Councillor City of Victoria
